3Dynamic

Seago's completely redesigned flagship lifejacket. Our design team have combined a range of new features in one lifejacket that ensures elite performance and safety, together with maximum comfort.

The **3Dynamic** incorporates innovative design and technology advances, bringing to the world's sailing community the Rapid Buckle, Cylinder Safe and S Design lung together with LED multi flash light, spray hood and pocket for your knife. This means everything customers (pro and enthusiast) tell us they need is close at hand. The team is incredibly proud of the advanced design features which make the 3Dynamic a market forerunner.

Full specification on charts at end of section
