This is to certify that Fleetwood Notified Body did undertake the Module B type-examination procedure for the above-mentioned product in accordance with Annex V of Regulation 2016/425 on Personal Protective Equipment, as amended to apply in GB. The product has been assessed and has been deemed to meet the essential health and safety requirements which are applicable to the PPE in accordance with Regulation 2016/425 (Annex II), and the relevant requirements of the following technical standards applicable for a level 150, fully automatic inflatable child lifejacket, with integral deck safety harness (size 2):

- EN ISO 12402-3:2020 for performance level 150 lifejackets.
- EN ISO 12401:2009 for deck safety harnesses.

The manufacturer's technical documentation has been inspected and found to have addressed the requirements of Regulation 2016/425, Annex III.

The manufacturer's instructions and information provided with the product has been inspected and found to have addressed the relevant requirements of EN ISO 12402-3:2020, EN ISO 12401:2009 and Regulation 2016/425 (Annex II, Clause 1.4).

Restrictions: This certificate is only valid in conjunction with one of the conformity assessment procedures in point c) of Article 19 (Module C2 or Module D).

Date of issue: 24.11.2022

Date of expiry: 10.11.2027

Signed:
for and on the behalf of

Brooke Schofield

Selon le programme de certification en vigueur sur le site internet d'Alienor Certification <https://alienor-certification.fr//> et en exécution du Règlement UE 2016/425 du Parlement Européen et du Conseil du 09 mars 2016 relatif aux équipements de protection individuelle et abrogeant la directive 89/686/CEE, l'EPI objet de cette attestation est conforme aux exigences essentielles de santé et de sécurité applicables.

According to the certification program of Alienor Certification in force on the web site <https://alienor-certification.fr//> and in application of the Regulation EU 2016/425 of the European Parliament and of the Council of 9 March 2016 on personal protective equipment and repealing Council Directive 89/686/ECC, the PPE relative to this certificate is compliant with the essential health and safety requirements.
